Dr. Mark A. May  
Chairman, United States Advisory  
Commission on Information  
Washington 25, D. C.

Dear Doctor May:

Thank you very much for sending me a copy of  
the Twelfth Report of the U. S. Advisory Commission on  
Information.

We have read your report with considerable  
interest, and found it to be clear, concise and constructive.  
It should be of great value in bringing about a broader under-  
standing of the achievements of the U. S. I. A., and of the  
problems and opportunities inherent in the conduct of United  
States Government information programs.

Sincerely,

**SIGNED**
